For some time many of us have wondered just who is Jack Schitt? We find ourselves at a loss when someone says, "You don't know Jack Schitt!" Well, thanks to genealogy efforts, you can now respond in an intellectual way.

Jack Schitt is the only son of Awe Schitt. Awe Schitt, the fertilizer magnate, married O. Schitt, the owner of Needeep N. Schitt, Inc. They lived in a mountain valley all by themselves and could often be seen canoeing on a little creek behind their company. They had one son, Jack. In turn, Jack Schitt married Noe Schitt. The deeply religious couple produced six children: Holie Schitt, Giva Schitt, Fulla Schitt, Bull Schitt, and the twins Deep Schitt and Dip Schitt.

Against her parents objections, Deep Schitt married, Dumb Schitt, a high school dropout. They didn't want any family trouble so named their first child Piece. The grandparents objected claiming other kids would slur that name. When the second child, Little, came along, the grandparents were incensed. Nobody was little in their family.

After being married 15 years, Jack and Noe Schitt divorced. Noe Schitt later married Ted Sherlock, and, because her kids were living with them, she wanted to keep her previous name. She was then known as Noe Schitt Sherlock.

Meanwhile, Dip Schitt married Loda Schitt, and they produced a son with a rather nervous disposition named Chicken Schitt. Two of the other six children, Fulla Schitt and Giva Schitt, were inseparable throughout childhood and subsequently married the Happens brothers in a dual ceremony. The wedding announcement in the newspaper announced the Schitt-Happens nuptials. The Schitt-Happens children were Dawg, Byrd and Hoarse.

Bull Schitt, the prodigal son, left home to tour the world. He recently returned from Italy with his new Italian bride, Pisa Schitt. The two returned home through England where they met up with the one Thomas Crapper. Pisa took a shining to him because he showed her how to make an indoor plumbing device. Bull and Pisa named their first born Crappa, after Thomas.

Their second and third born were named Thickas and brother Heepa.

Also the independently-minded Holie recently married a guy by the name of Ferbrains and like Noe, elected to keep the family name. The Schitt-Ferbrains are said to be trying for children.

Family reunions were a riotous time but Jack never let Dumb forget that Piece was now called Piece-a by almost everyone and that was just plain confusing when Bull's wife Pisa was around. But what the . . . heck, no family is perfect. Now when someone says, "You don't know Jack Schitt," you can correct them.

Sincerely,  
Crock O. Schitt
