

**20 Measurement When You Take the
Wellness Risk Management Measurement
By Dr. Victor Jean Ouellette, DC, MS**

Page 1 of 1

Wellness Risk Management Measurement

The measurement is thorough, comprehensive, multidimensional and anonymous. Take your time, take it seriously, try to get the best information for yourself. Take frequent breaks there are a lot of questions.

The data is in your answers.

The benefit will come from your answers. So, make your answers correctly. Keep a fresh mind by taking a few days with it. You are designing a profile of yourself, for yourself. Make it accurate, make it truthful and you will benefit immensely. Need Help?
